

Regional Transit Partnership

Connecting Western Massachusetts, together.

What is the Link413 bus service?

Link413 is a new regional commuter bus service for Western Massachusetts. Beginning in early 2026, Link413 services operate across Berkshire, Franklin, and Hampshire Counties as a partnership of the Berkshire Regional Transit Authority (BRTA), Franklin Regional Transit Authority (FRTA), and the Pioneer Valley Transit Authority (PVTA).

Link413 services complement each partner Authority's local bus route networks, bolster connections to intercity bus services, develop demand for both new and existing Amtrak corridors, as well as positively impact local projects of all types within the 413 area-code.

How is Link413 funded?

The Link413 regional system is operating with pilot funding provided by the MassDOT Regional Transit Innovation and Connectivity grant programs.

These competitive grants provide funding for projects aimed at improving connectivity in rural areas currently underserved by existing transit options and for improving connectivity between Regional Transit Authority service areas.

During the first two years of pilot service, ridership and other performance metrics will be evaluated as we search for sustainable funding sources. Service performance metrics, ridership, and other system data will be publicly available periodically.

Where does Link413 go?

accessible to customers who use mobile devices, provide supportive high-back seating, and offer free Wi-Fi.

Link413 provides commuter service to the communities of Adams, Ashfield, Charlemont, Cummington, Dalton, Goshen, Greenfield, North Adams, Northampton, Pittsfield, Plainfield, Savoy, Williamsburg, and Windsor along three dedicated bus routes. All Link413 routes are operated with comfortable highway-style commuter buses. All buses are

Routes
