Route Realignment Proposal

FIXING RELIABILITY FOR OUR CUSTOMERS

REVISED FEBRUARY 12, 2026

Public Meeting Ground Rules

- The meeting will be recorded.
 - All attendees will be on mute upon entering the meeting.
 - The entire presentation will be made uninterrupted.
 - Raise your virtual hand should you have a comment or question after the presentation has finished.
 - Participants will be unmuted in the order of their raised hand to speak, then muted again when finished.
 - Written questions can be entered into the Q&A portion, then answered as time allows.
 - Discriminatory or inflammatory comments will not be tolerated. Speakers who lack civility, including vulgarity or slurs in their comments, or who are unnecessarily repetitious of previous speakers will forfeit their opportunity to speak.
- All comments submitted must be relevant to the presentation provided.
 - All comments will be recorded for transcription after the meeting.
 - All speakers must state their name before providing their comment, and all speakers are asked to limit their comment to no longer than three (3) minutes in length.

Proposal

Summary

The Berkshire Regional Transit Authority (BRTA) is proposing targeted service adjustments to stabilize daily operations, reduce service cancellations, and support the launch of future regional connectivity service. This proposal aligns service levels with current staffing availability while preserving core mobility and introducing mitigation strategies to maintain countywide connectivity.

Staffing & Reliability Context

BRTA currently operates 36 weekday runs with 26 available drivers, resulting in 10–13 open runs available for coverage each day. The proposed plan reduces weekday service to 30 runs while maintaining 26 drivers, reducing open runs available for coverage to approximately five per day.

Staffing Coverage

Day	Scenario	Runs	Drivers	Open Runs Available for Coverage
Weekday	Current	36	26	10-13
Weekday	Proposed	30	26	5
Saturday	Current	20	15	5
Saturday	Proposed	20	15	5

Realignment Proposals

Services Changes

Mitigation & Service Preservation

- Eliminate portions of Routes 1, 2, 21, and 921.
- Evening service reductions on select routes, using data driven decisions, where ridership is one passenger per hour, per route or less.
- Elimination of Route 14 now serviced as an extension of Route 12 to 8:55 PM.
- Route 21 operates as an all-day South County Loop with extended evening service until 8:25PM.
- Route 34 concludes service at 8:15 PM with last inbound trip as Route 3 ending at the Williams College at 8:45 PM
- BRTA will introduce Route 999, a limited-stop regional connector preserving north–south county mobility through North Adams, Adams, Cheshire, Lenox, Lee, and Great Barrington.
- All passengers aboard at the end of service will be transported back to the ITC where the bus will continue returning to the garage.
