

Western Massachusetts' Regional Transit Partnership

Bus Stop Locations

Link413 bus stop locations on each route are listed below. Most bus stop locations are marked by a Link413 bus stop sign which includes the name of the location written on it. Additionally, Link413 bus stop locations are visible on Google Maps, Apple Maps, and Transit App.

Universal Accessibility

Each Link413 bus is universally accessible and can transport customers who use mobility devices. Buses are equipped with lifts to help passengers into and out of the vehicles.
